The medley of horns, and

Frosh Party Begins Their Life At Luers

The Frosh Party was held Sept. 10. The Frosh came dressed to be judged on who had the best fifties outfit. The also engaged in other activities which included wheelbarrow races, lifesaver races, dancing and other games. Everyone enjoyed themselves as new friendships started and their new life at Luers began.

Paula Rondot was awarded the best costume.

"Together We Grow"

The Senior-Frosh Tea was held on Oct. 3. Past experiences were shared and reflected upon, as seniors Jan Misner and Julie Klug addressed the freshmen with speeches. The girls received a glimpse into their future and gained new friendships. The highlights of the tea were the skits performed by the senior girls, and games in which everyone took part. The Senior-Frosh Tea was a large success this year, providing entertainment for both the freshmen and seniors. Most of all, this was the gaining of friends, and for the Frosh, the beginning of new memories.

Homecoming Adds A Sparkle To Luers

The 1976 Homecoming Week was Oct. 17 to Oct. 23. On Sunday each class decorated their halls and the Juniors won with the theme "Blast Off to Victory". Monday was hush card day and Dan Haggenjos turned out to be "Mr. Irrisistable" while the Sophomores were the class with the most will power. Tuesday the Juniors beat the Seniors and the Sophomores beat the Frosh in the Powder Puff games.

Who's the funny looking cheerleader, Lisa???

There are many different kinds of assemblies at Luers and they range from spiritual to pep. Every year we open the school year and close it with a mass. On holy days of obligation we also have masses held in the gym. Our pep assemblies are meant to introduce the players and get them "up" for the game. They also get the fans rowdy and people to support the team.

Christmas Dance Brings Memories

This year the Christmas Dance was held on December 18 in St. John's Church basement. It was a semiformal affair, and everyone looked great. There was a good turnout of over 90 couples and everyone that attended will have great memories.

Student Congress sponsored the dance and it went very smoothly. The entertainment was provided by the band "Whisper". Frosh helped decorate and some served the refreshments.

The Honors Banquet had the largest turnout ever. Either the work is getting easier or we all are just getting smarter. At this time the Valedictorian and Salutatorian for the class of '77 were formally announced. These were Bob Berger and Eleanor Eckrich, respectively. The Tri Kappa Award for being in the top one percent of the Junior class went to Fred Feipel and Jan Schaefer. Also a special thanks to the Mother's Club who sponsored the Banquet.

Spirit Week Revives Rowdiness

A new idea was introduced this year at Luers; Spring Spirit Week. This was sponsored by Student Congress and was designed to ward off third semester blues and to remind those who had forgotten what rowdiness is all about. Many different events were planned, from an ice cream eating contest and Class Conformity Day (otherwise known as Dwenger Day), to a class mural contest and a sucker sale. There was also a volleyball championship between some of the clubs of Luers. This week helped unite all the classes while bringing some fun into school life. A good time was had by all and future Spirit Weeks are anticipated.

..... Clubs

It is a time
for being young,
free,
for building minds,
grasping dreams.

..A Chance To Be

Clubs are the personalities of society at Luers. Through them we increase our potential, instill self-confidence, and develop character. School spirit is personified in the club participation. In this way, students contribute to the past and prepare for the annals of the future.

Chess Clubbers Make The Moves

Chess Club meets on Tuesday or Thursday nights for a couple of hours where they work to perfect their skills. Sometimes they invite other schools to come and challenge them to a meet. So far, the Chess Club has competed in three meets. In March, some members of the Chess Club will venture to Ball State University where they will compete in a tournament. Mr. Teusch, the moderator of the Chess Club, wants everyone to know that all are welcome to join.

Are you sure about that?

It is made up of about 12 members and is under the direction of Sr. Jean Esther. The president of the club is Jamie Oxley, vice president, Keven Oxley, secretary Mary Burner and treasurer, Tom Stien. Activities for the club members range from judging grade schools science fairs, to entering their own projects in science fairs. Jamie Oxley and Greg Rondot were elected as finalists in the Junior Academy of Science Fair.

Student Congress Works For You

The main function of Student Congress is to think of projects and activities that are not only fun but also benefit the school. We should be thankful to Student Congress for the improvements they have made in our school, such as Spirit Week this year. Spirit Week was similar to Homecoming week. There was a "We Blew It Day", a lollipop sale, a "Owenger Day," and much much more. If one had to describe Student Congress in one word it would be involvement. Many thanks to Student Congress from all of us.

Diners Club Makes Lunch An Experience!

Tired of the same old humdrum hand-to-mouth lunch period? Well so were a group of seniors this year, so they named themselves the Diners Club and started acting crazy at 12:30. Candles, hats and rowdiness were all part of the festivities. Heading this unique organization were Kyle Burns and Jim Boudia, who regretted not having credit cards made for the notorious diners.

Knight Lights Turns Spirit On

Thanks to the hard work of the Knight Lights Staff, students around Luers are kept well informed by the paper, which is sent out bi-weekly. The staff makes the articles interesting for everyone. There are many different types of articles, such as editorials, news, features, sports and business. Pictures are also taken of many interesting shots around school. The Knight Lights staff works under the supervision of Fr. Carl, who does a superb job in helping to bring about a better paper. We would like to thank the writers of the Knight Lights for the many hours they have put into making this year's paper a success.

CHUCK COLE

This page is dedicated to a great person who has given so much of himself toward something all of us can truly appreciate. Chuck Cole has moderated the yearbook for the last five years, devoting much of his time and ideas to the annual creation of the Accolade. Next year's staff will not be fortunate enough to have the unselfish support of Mr. Cole, as he is moving on to new opportunities. We hope that happiness and success may be his, for it is what he deserves. His open mind, humorous wit and eager-to-help attitude played a major role in the yearbook's makeup. His efforts can never be repaid; only deeply appreciated and remembered always. Good luck Mr. Cole.

With love,
Your 1977 Accolade Staff

Accolade Staff Working Harder Than Ever

The Accolade staff has worked harder than ever this year in order to bring you a truly great yearbook. Editor Carol Nolan and Chuck Cole, advisor, teamed up to whip the staff into top shape. Deadlines proved hard to meet, but the staff met the challenge and conquered it. Many money raising activities were on tap this year, including a movie, bake sales and of course, the old stand-by, advertisements. The entire staff sincerely hopes you will enjoy the memories collected for you in this, your 1977 yearbook.

Behind the scenes at Luers, three dedicated men spend hours at jobs that will never be finished.

Fr. Donnul is our principal and school administrator, jobs which require infinite patience.

Fr. Camillus is the vice principal, and also teaches in the science department.

Fr. Michael is the academic administrator. He spends his life setting up schedules.

Besides being Dean, Fr. Max is also moderator of the Key Club and is busy in other activities around school. Ms. Lombardo also doubles as Dean and tennis coach.

There are hermits that live along
In the peace of their self-content;

But let me live by the side of the road
And be a friend to man.

That shall sooth this restless

Read from some humber poet,
Whose songs gushed from his heart,
As showers from the clouds of
summer,
Or tears from the eyelids start;

Who through long days of labor,
And nights devoid of ease,
Still heard in his soul the music
Of wonderful melodies.

History Opens

Modern man takes life far too seriously, and because he is too serious his world is full of troubles. The importance of humor should never be forgotten. For sense of humor changes the quality and character of our entire cultural life. There is a purifying power in laughter — both for individuals and for nations. If they have a sense of humor, they have the key — to good sense, to simple thinking, to a peaceable temper and to a cultured outlook on the world.

Science Explores

We hear, we see, we taste, we feel, we "scent" and the brain interprets. We hear danger, we see pleasure, we taste cacaphony or music, we respond to textures, we smell enmity or friendship — and the mind collects, sorts, stores! As our civilization builds a protective wall around living, and makes it seem unnecessary for the senses to be vigilant, we use them less, and let them sleep.

The 1976-77 football squad was a fairly young team with the majority of the players being Juniors. This could account for the slow start this season with the loss of the first game to highly rated South Bend Washington. After a win at Martinsville, the Knights lost successive games to Northside and Northrup. Facing the prospects of a disastrous season, the Knights rallied to defeat archrival Dwenger, 19-14. The game was easily the most exciting of the year as the contest was not decided until the final gun sounded. Not ready to give up, the fighting Knights managed a split of the remaining four games, losing close struggles with highly regarded South Side and City Champion Elmhurst.

Sports Spectacular

You Start At The Bottom . . .

Why do I feel like I'm all alone?

This years Freshman cheerleaders were divided into two squads. The A squad was lead by Renee Ward, and the B squad led by Patsy Klotz. Although the girls only cheered for the Freshman Basketball team, they got in a great deal of experience.

Try-outs were held November 18th and only 10 out of the 18 girls that tried out made it. They were moderated by Mr. Lombardo.

I wonder what they're planning?

The Freshman Cheerleaders in action!?

LEFT TO RIGHT — Chris Moreno, Cindy Hogan, Ginny Cowen, Renee Ward, Allison Zern, Bonnie Bectyl, Paula Rondot, Patsy Klotz, Maureen Clancy, Michaelle Miller.

And If You're Lucky . . .

The Reserve and Varsity cheerleaders have been active in keeping up the spirit around Bishop Luers. They have been involved in many extracurricular activities, some good and some a little "shady." Besides cheering for football and basketball games, they decorate the gym for pep assemblies. They also have been known to tepee Senior guys houses the night before the big game. Our thanks to the Luers Cheerleaders.

Chris, it's not our turn yet."

"Hey Sophomores are ya with us?"

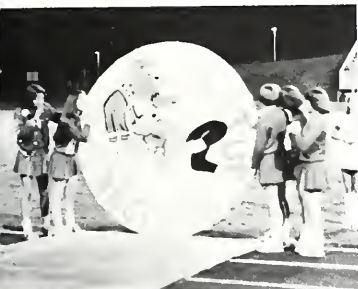

Victory atop the mount.

LEFT TO RIGHT — Chris Andorfer, Mary Logan, Sandy Dammeyer, Tess Weber.

You Make It To The Top.

All our hard work, down the drain?

"Come on, give me a break."

"And that's the truth!"

All together now.

"Now THAT'S funny."

During the summer the cheerleaders attended a cheerleading camp in Mich. The Varsity and Reserves combined squads and competed. The girls received 2 first place ribbons, 3 seconds and 1 third for their cheers. The last night the winners were announced and the Luers Ladies came in first. They went on to Grand Nationals and placed very high in the ratings.

Kay Kerslake was recognized at camp as third place individual out of the entire 200 girls attending camp.

LEFT TO RIGHT — Kenda Kordes, Dana Walicki, Kay Kerslake, Marcie Figel, Barb Costin, Lisa Colone.

Another Season

Joie, always in the lead.

Tonya, a fountain you're not.

The 77 track team had a good season this year with a record of 5 wins 8 losses, and one tie. Several individuals broke school records; Chris Ottenweller, in the 80 yd. hurdles, Joie Curtis in the mile, Dennie Munson in high jump, Mary O'Connor in the 880, and the 880 relay team.

This year's captains were Otts and "the Dolfin Lady." They, together with Head Coach Joann Roscoe gave support and encouragement to the team.

Intramurals '77

Just get off a horse, Bini?

"What's going on at the next court?"

Intramurals, held Sunday evenings from Jan. to April, provided fun and exercise for many. Volleyball was the only sport involved, and teams consisted of members from all four grades. Championships were held in April, winners being awarded with trophies.

Graduation, A Time For . . .

"THE CLASS OF 1977!!"

Remembering, Hoping, And Celebrating!!

Reenie, Linliss, and Stiff Knees get a little side gossip in before the festivities begin

Beth Cornelia bearing gifts.

Sandy, the lone celebrant.

Graduation Ceremonies Open In High Spirits!

Graduation indeed opened in high spirits. Early Friday morning, May 27, all grads and their parents gathered at St. John the Baptist church to celebrate Mass. Immediately after everyone met in the Luers gym for brunch and to acknowledge honor and scholarship recipients. The celebrat'g atmosphere still prevailed on May 29, when commencement ceremonies began in the gym. The grads couldn't disrobe quick enough before they were off for a full night of rowdiness and partying!

Let the ceremonies begin!

Bishop McManus shares some humorous anecdotes.

Joe presents offertory gifts at the Baccalaureate Mass.

A serious moment (for once) for Jeff Slater.

The CLASS OF 77 celebrate Mass together for the last time.

After 4 Years It's Time To Say Good-bye

Salutatorian Bob Berger receives his diploma.

The "shortys" get diplomas first.

Linn is bubbling with graduation excitement!!!!

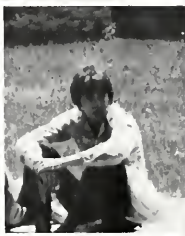

The 1977 class Valedictorian, Eleanor Eckrich.

Preparing for graduation seems to "tickle" Chris!

Says

NEW FRIENDS AND OLD FRIENDS

Make new friends, but keep the old;
Those are silver, these are gold.
New made friendships, like new wine,
Age will mellow and refine,
Friendships that have stood the test —
Time to change-are surely best;
Brow may wrinkle, hair grow gray,
Friendship never knows decay.
For'mid old friends, tried and true,
Once more we our youth renew.
But old friends, alas! may die,
New friends must their place supply.
Cherish friendship in your breast —
New is good, but old is best.
Make new friends, but keep the old;
Those are silver, these are gold.

STUDENT CONGRESS

I can't believe that I'm finally writing the last page of this yearbook. A whole year has passed since I thought about writing this page; a year of meetings, deadlines, responsibility, worry, but most of all, a year of fun. My senior year may have been busy, but I managed to squeeze in a few other activities besides yearbook ... All of us somehow manage to put off worry at least temporarily and take a little vacation. (These are sometimes referred to as weekends.) It is these moments, I hope, that are emphasized in *Accolade 77* ... moments that you can be freely you.

There are a few people without whose help and support I could never have handled this job. The first of these people is Chuck Cole. I'm really sorry to see him leave Luers. I, like so many others, consider him to be one of the best (if not the best) teachers I ever had, not to mention what a spectacular yearbook moderator he is. Also on my list of special people are Paula Hedges and Alisa Kortepeter, always unselfish with their time and talents; never too busy to help me with yearbook. Lastly I would like to thank my sister Sheila, who is responsible for the great looking cover and various artwork throughout the book.

I had a great staff this year, and would like to wish the best of luck to next year's staff under editor Judy Cobb. With the experience they gained this year, I'm sure she'll have no trouble ...

I hope this yearbook means as much to you as it does to me. What would a schoolyear be without a yearbook to hold together its good and bad times? I'll never forget my experiences as editor, but can't say I'm not relieved to see this final page go to press.

It's over, at last, and I am

set free.

Carol A. Nolan, editor.
